Introducing McGrath Redcliffe

Local Expertise, Greater Reach

We're excited to announce the opening of McGrath Redcliffe – a new collaboration strengthening our presence and expertise across Moreton Bay.

McGrath North Lakes Principals David Clair and Laura Valenti have joined forces with respected local sales professionals Jonathan Koleszar and Harrison McIndoe, who will jointly lead the new Redcliffe office.

Jonathan and Harrison have assembled a strong team of local specialists servicing the entire Redcliffe Peninsula, including Scarborough, Newport, Kippa-Ring, Margate, Clontarf and Woody Point.

McGrath CEO John McGrath has welcomed the joint venture, which combines David and Laura's established industry leadership and business experience with Jonathan and Harrison's energy and deep knowledge of the Peninsula market.

What does this mean for our Investor clients?

More expertise, greater reach and a stronger local network.

Our established Property Management team remains centralised at North Lakes, while the addition of McGrath Redcliffe gives our investors access to broader market knowledge, buyer and renter networks, and sales expertise across the Moreton Bay region.

Whether you're looking to grow your portfolio, understand the value of an existing investment, or eventually sell, you now have a connected team of local specialists to call on.

It's another step towards providing a true one-stop property service across Moreton Bay.

Two Offices. One Connected Property Team. A Shared Vision.

Inspiring the Next Generation of Professionals

Laura our Principal was invited to participate at the North Lakes State College's Year 9 Expert Jobs Panel, alongside professionals from a diverse range of local industries.

It was a great opportunity to share with students the diverse career paths available within real estate – from property management and sales to business development, administration, marketing and finance.

The students were engaged and curious as they explored the skills and qualities needed across different professions and considered their future pathways.

As a local business, we're proud to support our schools and help young people discover the many opportunities available within our industry and the wider community.

McGrath Redcliffe - Open Monday 7 September

The McGrath Redcliffe Team:
Fiona Cardrow-Morales, Camilla Forsey, Emma Gillan,
Harrison McIndoe & Jonathan Koleszar

99 Redcliffe Parade

(At the Jetty end, after Bee Gees Way)
Come and say hello if you're in the area!
